MATTHEWS, NC: On Saturday Aug. 20, 2016 at approximately 3:30 pm, Officers responded to a residence at 11318 Crescendo Ct. in reference to a disturbance call. Upon Officers arrival and after further investigation, supplies and chemicals were found inside the residence consistent with the manufacturing of Methamphetamine. Mr. Erik Christopher Walsh (DOB 07/20/1971) who resides at this address, was arrested and charged with the following charges:

Manufacturing Schedule II - Methamphetamine

Maintain a vehicle / dwelling for use keep or selling / sale of a controlled substance

Possess / Distribute Methamphetamine Precursor Chemical

Possession of Schedule II - Methamphetamine

Possession of Drug Paraphernalia

After this discovery, the SBI Special Services Unit was contacted and responded to safely remove the chemicals from the residence.

If you have any information regarding this case please call the Criminal Investigation Division at: 704.847.5555.
