***Re: Rezoning Application 2017-657***

Dear Jay:

Petitioner, Resort Lifestyle Communities, would like to request a deferral to the zoning meeting on June 12, 2017, out of respect for the time constraints everyone involved would face if we try to rush this through for a decision at the May 8th Meeting. Our team wholeheartedly believes that this extra time would allow us to produce our best product, schedule and conduct meaningful meetings with Commissioners as well as give them ample time to review and provide meaningful feedback.

Thank you kindly,

Haley M. Cook, Attorney
