Agenda Item: Decision on Application 2018-685 Phillips Road Subdivision

DATE: November 7, 2018
FROM: Jay Camp

Background/Issue:

- On September 25th, Planning Board voted 6-1 to recommend approval of the rezoning request with the condition that the front porches within the development be designed with a 6’ minimum depth.

- The project now consists of 17 lots.

- Side yards have been increased to the minimum of 6’ and 8’. A flexible design request still remains to reduce the rear yard from 30’ to 25’ minimum.

- A garage door setback of 5’ behind the front porch is proposed.

- A minimum of 13 homes will have a front porch.

Proposal/Solution:

- The density of the development has been reduced from 3.8 units per acre to 2.9.

- A pedestrian refuge connects residents directly to Purser Hulsey Park while multiuse path is provided along both Highway 51 and Phillips Road.

- The applicant has obtained a PCO Concept Plan approval from Mecklenburg County.

- A note should be added indicating future Council approval of additional home elevations.

ZONING APPLICATION # _____2018-685_________________________
ZONING MOTION # __________________________________________
ADMINISTRATIVE AMENDMENT _______________________________

Matthews Board of Commissioners adopts the checked statement below:

A) ___x__ The requested zoning action, as most currently amended, is approved, and has been found to be CONSISTENT with the Matthews Land Use Plan (or other document(s)), and to be REASONABLE, as follows:

CONSISTENT: with Matthews Land Use Plan by allowing an R-VS single family development to be built in an area of existing single-family homes.

REASONABLE: The rezoning creates new housing opportunities in an area that is within convenient walking distance to Purser Hulsey Park. The development, surrounded by undeveloped land, is designed with stub streets for future connectivity.

OR

DRAFT – FOR DENIAL

B) _____ The requested zoning action, as most currently amended, is not approved, and has been found to be INCONSISTENT with the Matthews Land Use Plan (or other document(s)), and NOT REASONABLE, as follows:

INCONSISTENT: The rezoning is inconsistent with the lower density, single family neighborhoods in the area and is not appropriate for this site. No new homes should be constructed until road and school concerns are resolved.

NOT REASONABLE: The rezoning is not reasonable and would cause additional congestion to area roads while overburdening the school system.

(In each case, the Statement must explain why the Board deems the action reasonable and in the public interest (more than one sentence). Reasons given for a zoning request being “consistent” or “not consistent” are not subject to judicial review.)
