2018 REZONING PROCESS AND SCHEDULE

Applications for a change in zoning may be submitted at any time after presubmission meeting with Planning Staff. An application will be accepted for formal review by the Matthews Board of Commissioners only after staff has determined it is complete. The Planning office will schedule deadline dates for review purposes, and will verify the submissions for accuracy and completeness. Upon receipt of the complete application and filing fee, rezoning signs will be posted on the property and a legal ad will be placed in the newspaper prior to the public hearing.

The applicant shall supply to the Planning & Development Department addressed envelopes which have a paper copy of the completed application enclosed for each property owner of lots immediately adjacent to the side and rear of the affected area, those directly across the street, and any other lots within a 100 foot buffer around the subject site.

Public hearings are held the 2nd Monday of each month at 7:00 pm at Town Hall. The applicant is required to be present at the hearing. Anyone wishing to speak in favor or in opposition to the request may do so at this time. Town Board may continue a public hearing to the next month to get answers to questions that may arise during the initial session.

Applications may be withdrawn up to 15 days prior to the hearing date. After that time, Town Board will consider any written request to decide if the withdrawal will be allowed.

Once an application is denied, it cannot be resubmitted within one year from the date of the action on the original request.

The Planning Board meets the 4th Tuesday of each month at 7:00 pm at Town Hall to review requests heard at the Public Hearing.

The Town Board may approve, deny, or defer the request at their meeting on the 2nd Monday of the following month.

Consistency and Reasonableness

When the Matthews Planning Board reviews a zoning request and makes their recommendation to go to Town Board, they must also issue a Statement on Consistency to adopted plans. This is to conform to state statute provisions that the Town will review its adopted land use and development policies prior to acting on any zoning text or district change. The Planning Board can make a determination that a zoning application **"IS CONSISTENT"**, **"IS NOT BUT COULD BE CONSISTENT"**, or **"IS NOT CONSISTENT"** with the policies for development as outlined by the Matthews Land Use Plan, and/or Town's long-range Vision Statements, and/or other adopted policies/plans. They can determine the request is consistent or not consistent, and then recommend approval or denial.

Similarly, when the Town Board is ready to take final action on a zoning request, they must make a determination about the application's consistency to their adopted land use plans, and then also state an explanation as to the request's reasonableness. The Town Board has the same choices to say the request **"IS CONSISTENT"**, **"IS NOT BUT COULD BE CONSISTENT"**, or **"IS NOT CONSISTENT"** with adopted plans and policies for growth and development. The second statement can begin **"The request zoning action "IS REASONABLE" or "IS NOT REASONABLE" and in the public interest because _____"**. The explanation should be appropriate to the site or the text under review by the application.

Both Boards have the right to state a request **IS INCONSISTENT** and still eligible for approval, or that the request **IS CONSISTENT** with adopted plans but still vote to deny the request. The state statute's intent here is to be sure the Town considers each zoning request through their adopted policies and plans prior to declaring a final decision.
