DEVELOPMENT STANDARDS

August 28, October 2, 2019

1. GENERAL PROVISIONS

A. These Development Standards form a part of the Rezoning Plan associated with the Rezoning Application filed by BAPS Charlotte, LLC (the “Applicant”) for an approximately 16.31 acre site located along Independence Commerce Drive between Mt. Harmony Church Road and Stevens Mill Road in Matthews, North Carolina, which site is more particularly depicted on the Rezoning Plan (hereinafter referred to as the “Site”). The Site is comprised of Tax Parcel Nos. 215-094-02 and 215-094-06.

B. The development and use of the Site will be governed by the Rezoning Plan, these Development Standards and the applicable provisions of the Town of Matthews Unified Development Ordinance (the “Ordinance”). Unless the Rezoning Plan or these Development Standards establish more stringent standards, the regulations established under the Ordinance for the R/I zoning district shall govern the use and development of the Site.

C. The location and layout of the principal building to be constructed on the Site and the associated parking lots and drive aisles are conceptual in nature and may be altered or modified during design development and construction phases subject to the requirements of the Ordinance.

D. The parcels of land that comprise the Site may be recombined or further subdivided provided that any such recombination or subdivision meets the requirements of the Ordinance.

E. The development of the Site proposed under this Rezoning Plan shall be considered to be a planned/unified development. Therefore, side and rear yards, buffers, building height separation requirements and other similar zoning standards shall not be required internally between improvements, uses and other site elements located on the Site, provided, however, that the development of the Site shall be required to meet any applicable setback, side yard, rear yard, buffer and building height separation requirements with respect to the exterior boundaries of the Site.

F. Future amendments to the Rezoning Plan and/or these Development Standards may be applied for by the then owner or owners of the Site in accordance with the provisions of Chapter 4 of the Ordinance. Minor alterations or changes to the Rezoning Plan and/or these Development Standards are subject to Section 155.401.5 of the Ordinance.

2. PERMITTED USES

A. The Site may only be devoted to a church and place of worship without size restrictions and to any incidental and accessory uses associated therewith that are allowed in the R/I
zoning district including, without limitation, a cafeteria, classrooms, recreation facilities and fellowship/assembly areas.

3. **MAXIMUM GROSS FLOOR AREA; PHASED DEVELOPMENT**
   A. The principal building to be constructed on the Site may contain a maximum of 90,000 square feet of gross floor area.
   B. The principal building to be constructed on the Site may be built in multiple phases, at the Applicant’s discretion, provided, however, that each phase shall be substantially similar in architectural style and character.

4. **DIMENSIONAL STANDARDS**
   A. The development of the Site shall comply with the applicable dimensional standards of the R/I zoning district.

5. **ARCHITECTURAL STANDARDS**
   A. The maximum height of the principal building to be constructed on the Site shall be 40 feet, provided, however, that any structures permitted under Section 155.601.8 of the Ordinance may exceed this height limit consistent with the provisions of the Ordinance.
   
   B. Attached to the Rezoning Plan are a series of conceptual, architectural perspectives and elevations of the principal building to be constructed on the Site, intended to depict the general conceptual architectural style and character of the building. Accordingly, such building shall be designed and constructed so that it is substantially similar in appearance to the attached relevant conceptual, architectural perspectives and elevations with respect to architectural style, design and character. Notwithstanding the foregoing, changes and alterations to the exterior of the building that do not materially change the overall conceptual architectural style and character shall be permitted.
   
   C. The principal building constructed on the Site may use a variety of building materials. The building materials used for buildings will be a combination of the following:
      - Cast Stone
      - FRP/GFRC
      - Stucco (traditional cementitious)
      - Stucco Textured Metal Panel
      - Smooth Metal Panel
      - Masonry (Brick and or CMU - integral color and/or ground face)
      - Exposed Structural Steel (painted)
      - Perforated Metal Panel Screening
      - Aluminum Storefront windows and doors

6. **SCREENING, LANDSCAPING AND BUFFERS**
   A. Screening and landscaping shall conform to the standards of the Ordinance.
B. The Site shall comply with the tree save requirements of the Ordinance.

7. TRANSPORTATION AND PARKING

A. Vehicular access shall be as generally depicted on the Rezoning Plan. The placement and configuration of the access points are subject to any minor modifications required by the Town of Matthews and/or the North Carolina Department of Transportation (“NCDOT”).

B. Vehicular parking shall be provided on the Site in accordance with the requirements of the Ordinance.

C. The alignments of the internal drives and parking areas to be located on the Site are subject to any minor modifications or alterations required during the design development and construction permitting processes.

D. The Applicant shall be permitted to install a gate across the Site’s access point located on Stevens Mill Road, and shall be permitted to control access to the same; provided, however, that said access point shall be available for ingress and egress during any event for which more than 200 guests are expected.

E. Streetscape improvements shall be installed along all road frontages in accordance with the requirements of the Ordinance.

F. The Applicant shall engage at least one off-duty police officer to direct traffic on Independence Commerce Drive for any weekday event for which more than 200 guests are expected.

G. During construction and development of the Site, the Applicant shall instruct its construction contractors to manage and direct traffic on Independence Commerce Drive as necessary to maintain access to and from Independence Commerce Drive to the neighboring business park.

8. LIGHTING

A. All lighting installed on the Site shall comply with the requirements of the Ordinance.

9. SIGNS

A. All signs installed on the Site shall comply with the requirements of the Ordinance.

10. STORM WATER

A. The development of the Site shall comply with Chapter 8 of the Ordinance.

11. TRASH REMOVAL
A. Trash and recycling service/pick-up may only occur between the hours of 7:00 A.M. and 7:00 P.M. Accordingly, trash and recycling service/pick-up may not occur prior to 7:00 A.M. or after 7:00 P.M.

12. BINDING EFFECT OF THE REZONING APPLICATION

A. If this Rezoning Application is approved, all conditions applicable to the development and/or use of the Site imposed under this Rezoning Plan will, unless amended in the manner provided under the Ordinance, be binding upon and inure to the benefit of Applicant and the current and subsequent owners of the Site and their respective successors in interest and assigns. Throughout these Development Standards, the terms, “Applicant” and “owner” or “owners” shall be deemed to include the heirs, devisees, personal representatives, successors in interest and assigns of Applicant or the owner or owners of the Site from time to time who may be involved in any future development thereof.
