**Re: Deferral of the Public Hearing for Application 2020-713 - Home Depot from July 13 to August 10**

Dear Ms. Gollnitz:

I am writing on behalf of our client, Home Depot, in response to your request to consider a deferral of the public hearing for Home Depot's pending rezoning application (2020-713) from the planned July 13<sup>th</sup> hearing date due to the large volume of public hearings set for this date. Home Depot agrees to the deferral of this public hearing to the next available August 10<sup>th</sup> public hearing date as this will be beneficial to Home Depot as well for hearing preparation purposes. Accordingly, please let this letter serve as a follow-up to your initial inquiry and, if needed, as a formal request to defer and consent to the public hearing from July 13<sup>th</sup> to the August 10<sup>th</sup>.

Sincerely,

A handwritten signature in blue ink that reads 'Laura D. Goode'.
