Agenda Item: Zoning Petition 2021-730, Tyler Mundy, Williams Rd. Change in Zoning from R-15 to R-VS.

DATE: August 4, 2021  
FROM: Robert Will, Senior Planner

Background/Issue:

Last month during the public hearing the applicant presented a site plan with 12 single-family lots. There has been revisions to the site plan and now there are 10 lots and other changes that the applicant would like to present to the Board. At this time Staff has not had a chance to review the updated site plan.

Staff Recommendation:
Staff recommends holding the public hearing in order to receive comments from the Board, the public, and the Planning Board.
